NARRATIVE

V1 was stopped in the parking lot. V2 was backing out of a parking spot and struck V1 in the rear. V2 then drove forward, backed up again, and struck V1 again before fleeing the scene.

Driver of V1 provided a license plate number of 190-XLG for V2. That license plate returned to a Dodge Durango, which is the type of vehicle driver of V1 provided. I spoke to the registered owner, who reported the vehicle was not supposed to be on the road due to some mechanical issues and was unaware of who was driving it. It was possible the vehicle was stolen, however he was unable to report it at the time because he was not home.

Further investigation revealed the vehicle was involved in a case in with Everett PD on 11-18-16. It was later determined 190-XLG was a stolen license plate. The actual plate was supposed to be 251-YUC.

Refer to case report for more information.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)
